17 November 2020

As addressed

Dear Party and Submitter

## **Crib Point Gas Import Jetty and Crib Point-Pakenham Gas Pipeline the Inquiry, Advisory Committee and Panel (IAC)**

---

The IAC has directed the proponent to provide a 'Day 3' version of its proposed changes to the Environmental Performance Requirements (Document 394) and Appendix J to the Pipeline Construction Environment Management Plan (Document 390) by 2 December for tabling and brief discussion on the afternoon of 3 December.

This is so that the IAC and all parties and submitters can be aware of the revised changes in light of evidence and submissions.

The IAC invites all parties and their expert witnesses to provide any suggested changes on a 'without prejudice' basis to the IAC in writing for tabling and then consideration by the Proponents by 2.00pm on Friday 27 November. These changes must be clearly marked up on the relevant pages of Documents 390 and 394 only.

The 'Final Day 4' version of the EPR and Pipeline CEMP will then be tabled by 2.00pm by Friday 11 December for review and discussion on Tuesday 15 December in advance of the closing submissions.

All suggested changes should be provided to Andrea Harwood or Georgia Thomas of Planning Panels Victoria by email at [cribpoint.IAC@delwp.vic.gov.au](mailto:cribpoint.IAC@delwp.vic.gov.au).

Yours sincerely

**Kathy Mitchell**

**Inquiry, Advisory Committee and Panel Chair**
