Subject: My submission on minimum standards

From: Christopher Adams [REDACTED]
Subject: My submission on minimum standards
[REDACTED]

My submission:

I agree with Tenants Victoria's positions on minimum standards for rental properties. The inclusions in the new laws are good, but more needs to be done. In particular, I think energy efficiency, basic air-conditioning, electrical safety, and a requirement for owners to inform prospective tenants that a property does not meet minimum standards must be included.

Thank you for considering my comments.
