134

Request to be heard?: No - but please email me a copy of the
Timetable and any Directions

Full Name: Danielle Gledhill

Organisation:

Affected property:

Attachment 1:

Attachment 2:

Attachment 3:

Comments: Our land cannot sustain this mine. We are already in a water deficit, the environmental damage that will be caused by this mine and others like it are creating damage that is making our home unliveable for us and generations to come. Please choose life and health over greed.
