Fingerboards Mineral Sands Project Inquiry and Advisory
Committee - EES

139

Request to be heard?: No

Full Name: Tams Hesz

Organisation:

Affected property:

Attachment 1:

Attachment 2:

Attachment 3:

Comments: I am absolutely opposed to the Kalbar mine and in particular the risk of pollution, impact on farming communities and food production, and the drain on the water resource of the Mitchell River. Please have a heart and compassion in this matter...
