How do you think we should improve the FFG Act?	<ol style="list-style-type: none">1. Ensure strong enforcement of the provisions of the Act. It seems that individuals and corporations can ignore protection provisions without significant penalty;2. Retain reserves where species are threatened, and not allow exceptions that provide for 'development';3. Enable Ministerial intervention when habitats are under threat;4. Provide for community ability to get involved in the process of protecting our biodiversity and threatened species.
