Subject: RE: OFFICIAL: Long Service Benefits Portability Interim Regulations 2019

Hi [REDACTED],

Thanks for calling and taking me through clarifying the process.

We understand the regulations aren't open for commentary yet until the consultation process commences but we just wanted to make a note regarding Community Health Centres registered under the Health Services Act 1988 who we represent.

Throughout the process they have been subjected to a lot of uncertainty which was only recently resolved through advice from the Authority. The new consultation process opens up Community Health Centres to more uncertainty which is something that we would have liked to avoid.

As a result, we want to be actively involved in the new consultation process.

Thanks again for your time.

Regards,
