

JUNE 2020

BARWON HEADS ROAD DUPLICATION

FEEDBACK SUBMISSION FORM

Planning Scheme Amendment

We're upgrading Barwon Heads Road to make your journey safer and more predictable.

To begin construction, we need to seek the relevant planning approvals under the Planning and Environment Act 1987.

As part of the Planning Scheme Amendment process, the community and other interested parties have an opportunity to provide feedback or raise issues about the project.

All feedback on our upgrade plans must be received by 26 July 2020.

You can participate in this Planning Scheme Amendment process by submitting your feedback in writing or online. Your feedback will be included in a report to the Minister for Planning as part of a formal request to amend the Greater Geelong Planning Scheme.

This is your only chance to share your thoughts about the proposed Planning Scheme Amendment for the project before we request the Minister for Planning to make a decision.

Please fill out this form and post it back to us at:
