

# Submission Cover Sheet

Fingerboards Mineral Sands Project Inquiry and Advisory  
Committee - EES

# 185

---

**Request to be heard?:** No - but please email me a copy of the  
Timetable and any Directions

**Full Name:** Nicolina Webster

**Organisation:**

**Affected property:**

**Attachment 1:**

**Attachment 2:**

**Attachment 3:**

**Comments:** I do not consent to the planned mineral mine in my area. I live in Bairnsdale. It is too risky and I do not want my family to drink from polluted water or breath in toxic dust. Our environment needs to be protected and conserved, period.
