Dear IAC

Earth Resources Regulation in the Department of Jobs, Precincts and Regions is seeking an extension to the submission date for the Fingerboards EES to allow time to complete our internal approval process to provide the submission.

We understand that East Gippsland Shire Council has been granted an extension until 11 December 2020. We request an extension until 4 December 2020.

We apologise for not seeking this extension before the due date.

If you have any questions, please contact me.

Regards

Tony Robinson
