Subject: Fingerboards Mineral Sands Project EES

Attention: Nick Wimbush, Chairperson, Fingerboards Inquiry and Advisory Committee

Dear Mr Wimbush

I write to advise that Earth Resources Regulation will not be making a submission with respect to the EES for this project.

I am mindful that I may need to make decisions on potential applications from the project proponent for a Mining Licence and Work Plan in accordance with the provisions of the *Mineral Resources (Sustainable Development) Act 1990*, subsequent the final outcome of the EES process.

I would be agreeable to considering any written requests for information or clarification about the regulatory framework for mining projects, if that assists your committee. Alternatively, relevant information is available on our Earth Resources Regulation website.

Yours sincerely

Anthony Hurst
Executive Director
Earth Resources Regulation
Department of Jobs, Precincts and Regions
