Assignment of Commander Roles

To meet the organisational requirement to maintain operational efficiency, I have determined the following Commander assignments. The dates of transition will all take effect within the next 6 months.

The actual dates of transition including timing will be determined by the relevant Assistant Chief Fire Officer/Line Managers, taking into account Brigade efficiency and change of roster dates etc.

In all instances the relevant Regional/Executive Director is to have oversight of the transitional arrangements.

Position No.	Position Title	Establishment	Date
