

# Submission Cover Sheet

Fingerboards Mineral Sands Project Inquiry and Advisory  
Committee - EES

# 397

---

Request to be heard?: No

**Full Name:** April Strou

**Organisation:**

**Affected property:**

**Attachment 1:**

**Attachment 2:**

**Attachment 3:**

**Comments:** The proposal of the mine will impact local agriculture and farming as well as locals drinking water. The amount of water required merely for dust suppression would be put to much better use supporting these folks and farmers.
