Subject: My submission on unfair rental application questions

From: Esther Singer <[REDACTED]>
Subject: My submission on unfair rental application questions My postcode: [REDACTED]

My submission:

The regulations should not allow for digital applications that demand irrelevant information and prevent submission of application without these fields being filled out should also be banned. The only questions that should be allowed are those which assess if an applicant can pay the rent - anything else is intrusive and infringes an applicants right to privacy.
