Dear Ms Perera

Re: Proposed Mineral Resources (Sustainable Development) (Mineral Industries) Amendment Regulations 2019

Thank you for your email dated 10 September 2019 attaching a revised draft of the proposed Regulations.

Please find attached a proof copy of the proposed Regulations. We have incorporated the amendment to new regulation 6(1B)(b) as confirmed in your email dated 12 September 2019.

The proof copy appears to be satisfactory as to form and content and within the powers set out in section 124 of the **Mineral Resources (Sustainable Development) Act 1990**.

Please check the proof copy carefully and let us know if you require any changes. Once you are satisfied that the proposed Regulations are correct, you may request an exposure draft for the RIS process. If changes are made as a result of the RIS process, those changes will need to be settled by this Office before the Chief Parliamentary Counsel can issue a section 13 certificate.

If you have any questions or wish to discuss the draft in more detail, you are welcome to contact me on 9651 2600 or Penny Alexander on 9651 5078.

Yours sincerely,

REBECCA BEAGLEY
Assistant Parliamentary Counsel
