**Subject:** My submission on energy efficiency issues for renters

From: Lisa [REDACTED]  
Subject: My submission on energy efficiency issues for renters My postcode: [REDACTED]

My submission:

minimum standards that include health and affordability relating to energy efficiency of properties There has been a lack of consideration for renters who need cooling during hot weather The inclusion of window coverings in the minimum standards Modifications to install draught-proofing, put in heavy curtains or improve thermal comfort are at should be at the cost of owners
