

FOREST FIRE MANAGEMENT

VICTORIA (FFMVic)

What is happening in your area (August 2019)

Dear Resident,

We would like to inform you of activities you may see occurring in your area over the coming weeks:

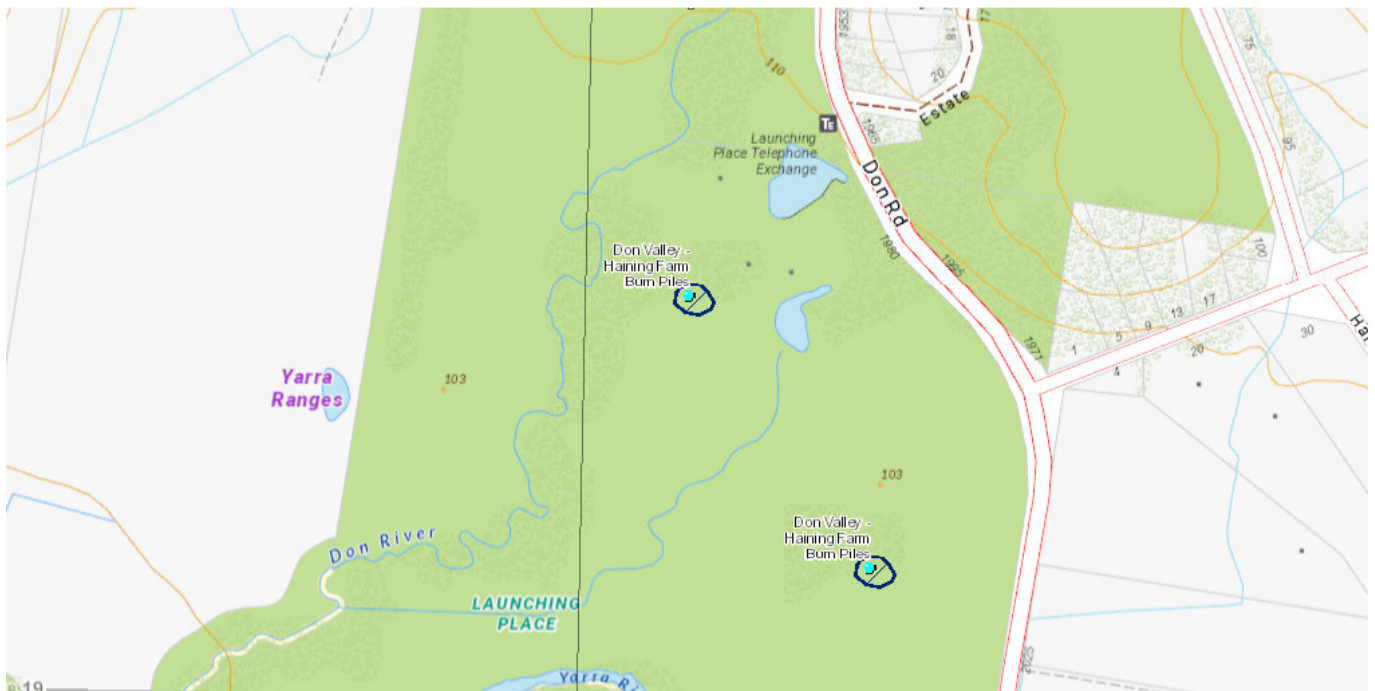

Throughout our activities in the establishment of Haining Farm, significant amounts of large woody debris was formed into two large burn piles, FFMVic are intending to ignite both burn piles between now and the end of August 2019.

FFMVic crews will be on site during the ignition of the burn piles and will be present during daylight hours.

The burn piles are surrounded by a damp grassy fuel break, however, flames, smoke and sparks may be seen during this operation.

An excavator will be on site to re-stack the piles to ensure as much debris is consumed as possible, any remaining partially burnt debris will be extinguished prior to the weekend.

Please refer to the map below for Burn Pile locations.

If you would like to provide feedback regarding the new track or have question or concerns regarding any of the above information, please email us at: planned.burns@delwp.vic.gov.au or alternative you can contact the DELWP Fuel Management Team - Powelltown on 5965 9901 by: Monday 19th August 2019

How can I find out about a burn near me?

Visit [ffm.vic.gov.au/plannedburn](https://www.ffm.vic.gov.au/plannedburn)

Call the VicEmergency Hotline on **1800 226 226**

Download the **VicEmergency App**

Register for the Planned Burn Notification system at [ffm.vic.gov.au/pbns](https://www.ffm.vic.gov.au/pbns)

We encourage you to sign up for the Planned Burn Notification System which allows you to set up automated notifications about upcoming planned burns on public land. There is no charge to register or to receive messages.

If you require further information, please contact your local Forest Fire Management Victoria office

You may see and smell smoke with the area. Step to take:

- Check Smoke is from a planned burn
- Follow your asthma or other medical condition plan
- In the event of smoke, delay vigorous exercise
- Shut doors and windows.

If you need medical advice, telephone Nurse-on-call **1300 60 60 24**
