

Dear madams/sirs

Thank you for the opportunity to provide the feedback. We are currently working with the new resources for CPP41419 Certificate IV in Real Estate Practice and are in the process of selecting what we consider to be the best option in the market today based on information from our industry experts. The proposed changes are fantastic and will be beneficial to the industry. We will however need more time to implement them within our structure.

Our RTO has been impacted substantially due to the pandemic and we are working hard to ensure we deliver the level of service required so our students are not disadvantaged at all. We mainly deliver Property services courses and the changes suggested by the timeframe will not be possible without having an adverse impact on our business.

Due to the above factors we request more time past the due date of 22<sup>nd</sup> October 2020 to have the changes implemented.

Your assistance with matter will help and be greatly appreciated. I look forward to hearing from you at your earliest convenience.

Warm regards,
