**Comments:** I've lived in East Gippsland most of my life, it holds a huge place in my heart. I chose to stay in the area after motherhood so my children could experience the same natural wonders I experienced in my childhood. My children spend a weekend a fortnight in Lindenow, with their father, my eldest daughter has [REDACTED] Their father works for one of the farms on the flats. This proposed mine would impact his livelihood, my children and our lives. The health impacts are a huge concern for me. The ecological effects are deeply concerning, I do not want this mine in East Gippsland.
