Fingerboards Mineral Sands Project Inquiry and Advisory  
Committee - EES

# 286

---

Request to be heard?: No

**Full Name:** Imogen Gamble

**Organisation:**

**Affected property:**

**Attachment 1:**

**Attachment 2:**

**Attachment 3:**

**Comments:** Can we for once leave some of our natural resources alone? I'm utterly disgusted that this mine is even being considered so close to a river. After the cutting down of sacred trees to build a temporary road, can we PLEASE JUST LEAVE OUR ENVIRONMENT ALONE..
