

Hi,

Don't know whether I'm too late, but a note to hopefully contribute to the Rating Review.

I'm firmly of the view that

- All properties should pay rates, including churches
- The amount of rates should be based on their value
- I'd like to see a loosening of the amount set by the State to allow Councils to increase on pre-specified, individual circumstances, such as increased capital investment & increased maintenance.

Yours faithfully,
