Its long over due a change to this extremely outdated "Book of Rules" regarding our precious wildlife!! Especially since it was written when we were all watching poor Skippy on our televisions! Haven't we all come so far since then yet we still rely on old outdated rules to help our wildlife, when clearly they are not working!! STUPID VICTORIA NO LONGER REQUIRE ANYBODY TO HAVE A PERMIT BEFORE THEY KILL KANGAROOS! CANBERRA CONTINUE TO BLAST AWAY KANGAROOS IN THEIR PARK LANDS FOR AT LEAST 70 DAYS STRAIGHT AND KOALAS ARE BEING MURDERED BY THE THOUSANDS IN FORESTED AREAS BY BULL DOZERS WHEN NOBODY IS WATCHING, DAY AFTER DAY! THEIR HABITAT IS DISAPPEARING FASTER THAN I CAN DRIVE MY CAR AND BY THE WAY, SKIPPY WAS SHOVED INTO A HESSION BAG AND TIED UP EVERY DAY AFTER FILMING!! SO ISNT IT TIME THE RULES FOR THE PROTECTION OF OUR DEPLETING WILDLIFE VICTIMS ARE REWRITTEN TO MEET THEIR REQUIREMENTS, NOT OURS??!!
