

Wildlife Act Review

Submission Comment 293:

Contributor: Individual – Gary Pegg

Primary interests:

- Private and/or commercial keeping, breeding, trading, displaying and/or processing of wildlife or wildlife products

Comment

As a commercial licence operation and stake holder, I make recommendation to include within the definitions of the Wildlife Act 1975, the term Non indigenous game for the purpose of declassifying non indigenous species of deer , pheasants , quail and partridges from the classification of wildlife within the meaning of the current Act.
