Will changes improve function of regs?	No
Reasons	No, please see attached submission for further details.
Implementation issue with proposed changes?	Yes
Reasons	See these issues in attached submission, upon which we request to be heard. These include unacceptable, unreasonable, short and long-term detrimental, intentional and unintentional impact on [REDACTED], in Nillumbik Shire. In our opinion, many of these also affect others in Nillumbik Shire, as well as other areas in the State of Victoria itself(see our submissions to this process, and inter-related prior processes of Nillumbik Shire Council. The latest being C81 and C101, which will not be proceeding). However, many of the issues we vehemently objected to have now been introduced at a state level. We therefore request that you reconsider all our submissions to C81, C101, Managing New Residential Zones, and Plan Melbourne Refresh.
