

Dear Madam / Sir,

I own the land [REDACTED] and we were planning to develop the land as part of an investment and potentially retirement.

I object to this kind of heavy industrial development in such a pristine area intentionally zoned rural living zone to preserve the natural beauty and bio diversity.

I do not accept Yumbah's report responding to key concerns summarised in Themes 1-10, as they do not adequately address the issues by means of providing sufficient guarantee to avoid the adverse effects raised as part of construction and operation of the planned Yumbah heavy industrial abalone farm.

Please acknowledge my submission as objection to All responses as part of Yumbah's report to address issues raised by residents as part of Theme 1-10.

Thanks for your help.

[REDACTED]

Regards,

[REDACTED]
