Dear Amy

**Inquiry and Advisory Committee (IAC)  
Fingerboards Mineral Sands Project**

We continue to act for East Gippsland Shire Council (**Council**).

We refer to our earlier letter today and the subsequent response from Mine-Free Glenaladale Inc. (**MFG**).

We are instructed that Council agrees with the amendments suggested by MFG to Council's proposed directions.

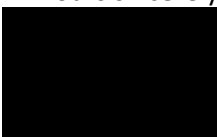

We note the email from IAC at 12:55pm today. However, for completeness, Council also supports the further direction proposed by MFG in paragraph 8 of their letter.

We trust the above assists the IAC's deliberations.

A copy of this letter has been sent to Tim Power at White & Case and Virginia Trescowthick at Environmental Justice Australia.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Darren Wong  
**Principal**
