Fingerboards Mineral Sands Project Inquiry and Advisory
Committee - EES

367

Request to be heard?: No

Full Name: Simon Redman

Organisation:

Affected property:

Attachment 1:

Attachment 2:

Attachment 3:

Comments: I am opposed to this mineral sand mine at the finger boards as it poses too large a risk to local land holders, produce farmers and tourism for the area, the impact on mental health for the affected communities is too large
