

Expert Conclave Item 2

Maximum incremental PM₁₀ contribution due to the ventilation structures

1hr average PM₁₀ (µg/m³) – constant 70th percentile background

Scenario	Maximum predicted GLC	Year	Design criteria	Contribution to maximum predicted GLC		Project contribution relative to design criteria (%)
				Project	Background	
A	35	2009	80	12	23	15
B	38	2009		15	23	19
