Subject: My submission on Victoria's draft rental regulations My postcode:

My submission:

Pets should be permitted in all rental properties, and they cannot be refused by the owner upon application or request.

Tenant can disclose to owner if they are bringing a pet to live in the property, but owner can't refuse this right.

Owner can only deny pet in the property if there is a very good reason which must be disclosed to the tenant, and comply with consumer affairs list of reasons.

This rule should apply to all tenants including prior to July 2020.
