Dear Terry

RE: West Gate Tunnel Project Inquiry and Advisory Committee Further Information Request - Ramps at Dock Link Road

We refer to your letter of 29 August 2017.

Please find attached slides which have been produced since the conclave and for the attention of Mr Symons.

They do not include detailed design drawings of a Dock Link Road option as, for reasons that are evident in the material, the option was ruled out as it would fail to deliver efficient and safe access to the Port.

In particular we attach:

- Mark up of Mr Symons diagram;
- Simple schematic showing Western Distributor Authority's identification of alternative;
- Interchange modelling analysis.

Yours faithfully
