**Subject:** My submission on Victoria's draft rental regulations

From: Cassandra Harding [REDACTED]  
Subject: My submission on Victoria's draft rental regulations My postcode:

My submission:

Social Housing / Public Housing / Community Housing is still RENTED Housing - irrespective DHHS still has to abide by same laws to NORMAL renters rights - there should be no distinguish to MY housing being LESS than a Normal renters rights or housing - and it can be to your advantage if he Member orders these items are installed to set a precedent for Other renters in making it happen for everyone

certainly there is one other thing I would like to ask of legislation to get changed or enforced - but the document won't allow me to write it up in correct terminology - pertains to safe, peace, quiet enjoyment of the property
