

# Zoom 'raise hands' function

To raise your hand as a webinar 'attendee', simply click the large 'raise hand' icon at the bottom centre of your screen when you are in the webinar:

To raise your hand as a webinar 'presenter', find the 'participants' button at the bottom centre of your screen.

Press the 'participants' button and it will open a side panel or an overlay panel showing all presenters. The 'raise hand' button is a small button at the bottom of the 'participants' panel.
