Comments: Hello, please don't cut down the giant gum tree that's in the Bullen Rd Caltex. I've lived in my area my whole life. When I was a kid, I always thought it was cool and maybe a bit magical and now when I drive by, seeing it just makes me be more present for awhile. Please please don't chop it... It's really awesome to see it and the fact that this ancient tree is in a petrol station makes me laugh. Thank you :)
