Comments: I Marc Nardo of Rockit Carwash we just opened this car wash 7 months ago. Our main concern is that the intersection is getting moved and the car park across the road is getting covered with trees. Car washes need traffic flow and visibility if you could please take into consideration to leave it as is as we have spent our entire savings and borrowed a lot of money trying to get this business going. We feel that our livelihood would be taken away from us if this project goes ahead.
