

# Submission Cover Sheet

Fingerboards Mineral Sands Project Inquiry and Advisory  
Committee - EES

# 783

---

**Request to be heard?:** No - but please email me a copy of the  
Timetable and any Directions

**Full Name:** Ebony King

**Organisation:**

**Affected property:**

**Attachment 1:**

**Attachment 2:**

**Attachment 3:**

**Comments:** I do not approve of the proposed mine in Gippsland due to huge water consumption, land use, close distance to farms and water ways. Massively degrade biodiversity of the Gippsland lakes and pollute farms, air quality and water ways
