

Yarra River – Bulleen Precinct Advisory Committee Member Biographies – December 2020

Surname	First Name	Biography
Chair		
Tsotsoros	Con	Con Tsotsoros was appointed as a full time senior panel member at Planning Panels Victoria in July 2013. Con has a Bachelor of Applied Science in Planning, with 14 years' experience in the private sector and stints in local government and has been with state government planning since 2006. Con was formerly Assistant Director Statutory Systems in the former Department of Planning and Community Development, where he led major planning reform agenda initiatives. He specialises in retail, economic and strategic planning and heritage. Con was the Chair of the Residential Zones Standing Advisory Committee and has been involved in significant planning scheme amendments involving building heights, mandatory provisions, master and strategic planning. These include the St Kilda Road North Precinct, Chapel Street reVision, Greater Shepparton Activity Centres review, and Traralgon Growth Areas Review. Con is a Fellow of the Planning Institute of Australia and member of the Victorian Planning and Environmental Law Association.
Members		
Malouf	Michael	Michael Malouf is a sessional member of Planning Panels Victoria. His qualifications include a civil engineering degree, an MBA and post graduate qualifications in municipal engineering and the Company Directors qualification. He has held CEO roles at VicRoads, Barwon Water, Melbourne, Greater Geelong, Wyndham, Werribee and Melton Councils and at the Carlton Football Club. He is currently Chair of the Kardinia Park Stadium Trust and sits on the Board of Southern Rural Water. He is a Fellow of Engineers Australia, the IPAA and the AICD. His primary areas of expertise will be in transport planning, stormwater management, traffic impacts, water and sewerage supply and demand and also has extensive experience in major projects with a strong understanding of business and commercial principles.
Nervegna	Lorina	Lorina has been a registered architect in Victoria since 1993 and has expertise in architecture, urban design and built environment sustainability. She has held national roles in peak industry associations (National Manager Sustainability, Australian Institute of Architects and National Architect, Cement and Concrete Association) and was a board member of the Victorian Building Appeals Board from 2002-2007. Lorina is also former Director Building Policy (Victorian Government DPCD) appointed as a Senior Technical Specialist and has consulted widely for the building and construction industry. She is currently a Sessional Member of Planning Panels Victoria and a former Committee Member of the Mint Incorporated Committee of Management which manages a select portfolio of heritage buildings and places on Crown land across Victoria. Lorina was director of Lorina Nervegna Architects Pty Ltd from 1993-2003 and is currently the principal of her own architecture practice and consultancy. In 2016 Lorina was appointed as a Sessional Member to the Victorian Civil and Administrative Tribunal as a Specialist Member on the Planning and Environment List.

Surname	First Name	Biography
Sharpley	Greg	Greg has over 30 years' experience in providing consulting services for infrastructure projects, varying from water/wastewater and waste management through to road and power projects. His engineering experience varies from strategic and concept design through detailed design to commissioning and independent peer and quality assurance review. His skills include auditing, reporting, design, contractual advice, staff and client relations, facilitation and consulting business management. Greg is a registered Gateway Reviewer in most states of Australia, an Independent Reviewer for the Department of Transport and regularly provides technical support as a Sessional Member of the Planning and Environmental Panel of VCAT.
