

To CAV

Hi There,

Pertaining to email received on my recommendations. I would like to suggest that Real Estate agents must have some minimum educational requirements to enroll in a Agents rep or higher course course: eg: year 12, Also have a minimum of two years experience in Sales before they do the course since they are going to be selling and managing one of most important assets of people.

All agents must be Australian PR or Citizens and not temporary visa holders .

Thanks

Kind Regards

Stafford Xavier
