Dear Ms Armytage,

Call for submissions to the Royal Commission into Victoria's Mental Health System

Please accept the enclosed submission made on behalf of the Victorian Responsible Gambling Foundation.

The Foundation's submission provides information about the known association between gambling and mental health. It makes recommendations designed to better integrate problem gambling into the government's mental health frameworks and strategies and to provide enhanced protections for people living with comorbid problem gambling and mental health conditions.

The Foundation would be happy to provide further information or to meet with you, or your staff, to explore further the issues raised in the submission.

If you would like to discuss the submission, please contact me on 

Yours sincerely
