Thinking about what Victoria's mental health system should ideally look like, tell us what areas and reform ideas you would like the Royal Commission to prioritise for change?

Open up a space for the not-consenter inside the office of the commonwealth ombudsman.

What can be done now to prepare for changes to Victoria's mental health system and

support improvements to last?

Open up a space for the not-consenter inside the office of the commonwealth ombudsman.

Is there anything else you would like to share with the Royal Commission?

How can we get the commonwealth ombudsman to overrule and rule out all the 100% anti-patient psychiatrists that currently dominate the public psychiatric hospital system in Australia today?
