

4. What makes it hard for people to experience good mental health and what can be done to improve this? This may include how people find, access and experience mental health treatment and support and how services link with each other.

I believe its the system you start small and you start attending  
if you continue to treat us this way we will continuously  
do anything to make it better, even making cominity waters, meetings  
more like this one.

5. What are the drivers behind some communities in Victoria experiencing poorer mental health outcomes and what needs to be done to address this?

phycosfrinetic and phcahictu is it real the meds just make  
us ~~gain~~ gain weight.

6. What are the needs of family members and carers and what can be done better to support them?

why does everything take 3 weeks- to 6 months.

10. What can be done now to prepare for changes to Victoria's mental health system and support improvements to last?

GET TOGETHER MORE INFLUENCE & change what then a pilot  
if they lie to us-
