

# What is the role of Council?

Council has a range of roles including:

## Good governance

providing good governance, as well as making local laws and policies for the benefit and wellbeing of the Wyndham Community.

**Service Provider** provision of over 60 different services including garbage collection, maternal and child health, libraries and many other community services and programs.

## Infrastructure Provider

provides and maintains buildings, open spaces, recreational facilities and the road/footpath/cycle network.

## Planner

works to understand the current and future needs of the municipality and to set the overall direction for Wyndham through long-term planning which guide council activities and resourcing.

## Advocate

works with relevant stakeholders, Federal and State Governments who also play a role in addressing issues affecting the municipality to ensure the needs and concerns of the community are represented.

## Leader, capacity builder, partner and broker

works in collaboration with a range of stakeholders to improve outcomes for our residents and municipality.

## What is the Wyndham 2040 Community Vision?

The **Community Vision** describes the community's aspirations for the future of the municipality.

## What is the Council Plan?

The **Council Plan** sets the 4 year strategic direction of the Council towards meeting the Wyndham 2040 Community Vision and helps guide Council in the delivery of its many and varied roles.
