

19.02-2L Yarra's education precincts

---/---
Proposed C269yara

Objective

To support the municipality's education precinct identified in Plan Melbourne, to recognise its specialised role and function in both Yarra and metropolitan Melbourne.

Strategies

Promote education in Yarra's health and education precincts as identified in the Yarra Health and Education Precinct Framework Plan to Clause 19.02-1L, by supporting:

- The growth of the Australian Catholic University Education Precinct as an education and research employment hub.
- Development that promotes the teaching role in the St Vincent's Hospital Health Precinct and the Epworth Hospital Health Precinct.

Support uses that are ancillary to and complement the role of the municipality's health and education precincts.

Ensure interface impacts between the health and employment precincts and adjacent residential and commercial areas are managed.
