Q1. **Name:**

Q2. **Street address:**

Q3. **Postcode:**

Q4. **Email address:**

Q5. **1. What is your main connection to the Victoria Street/north Richmond area? (Select all that apply)** I am a local resident

Q6. **2a. In Richmond, where do you, your family and friends currently go to access public open space?**

Citizens Park

Q7. **2b. Why do you choose this location?**

It is safe (ie there are usually not an drug addicts or the like lurking there), the facilities meet my needs eg. dog off leash area, outdoor area for running/fitness

Q8. **2c. Are there any barriers to you accessing public open space?**

No

Q9. **3. How familiar are you with the Jonas Street/Victoria Street area? (Select the best option)** I visit regularly (every day)

Q10. **4a. How do you currently use the Hoddle Street end of Victoria Street? (Select all that apply)**

Exercise (running, walking, cycling)
Access (getting from one place to another)
Go to the restaurants and other venues

Q11. **4b. If other, please describe :**

not answered

Q12. **5. Currently, does the area have a special feature, aspect or character that is important to you?**

No

Q13.6. What would you like to see in a public open space in this area?

I don't think this is a suitable location for a public open space. The current plaza is a good idea for special events (such as the lunar new year festival held on the weekend) but not on ongoing basis. It doesn't offer anything other than a place to loiter and given the amount of drug addicts and homeless people in that area it is likely that the area will be overrun with this group of people and others will be deterred from using it. Similar to the area where Lennox St meets Victoria St, where you feel unsafe walking through because of the drug addicts etc congregating around.

Q14.8. Do you have any ideas for how the plaza should look, or how it could be used?

Remove the plaza and keep the street as a through way for traffic.

Q15.7. How do you see yourself, your family and friends using a new public plaza in Jonas Street in the future?

I would never choose to use a public plaza in that area.

Q16.9. What is your age group? 30 to 39

Q17.10a. What best describes your household? Couple with no children
(Select the best option)

Q5. **1. What is your main connection to the Victoria Street/north Richmond area? (Select all that apply)**

I am a local resident

I visit the area to shop and/or go to restaurants

Q6. **2a. In Richmond, where do you, your family and friends currently go to access public open space?**

We don't use any public open spaces in Richmond, we go to Fitzroy Gardens/Yarra Park.

Q7. **2b. Why do you choose this location?**

I don't know where you would go in Richmond other than the oval on Church Street.

Q8. **2c. Are there any barriers to you accessing public open space?**

Feeling unsafe/unwelcome (e.g. Lennox Street Park).

Q9. **3. How familiar are you with the Jonas Street/Victoria Street area? (Select the best option)**

I visit quite often

Q10. **4a. How do you currently use the Hoddle Street end of Victoria Street? (Select all that apply)**

Go to the restaurants and other venues

Q11. **4b. If other, please describe :**

not answered

Q12. **5. Currently, does the area have a special feature, aspect or character that is important to you?**

Diversity and the Vietnamese community.

Q13. **6. What would you like to see in a public open space in this area?**

Trees, grass, seating, nice lighting.

Q14.8. Do you have any ideas for how the plaza should look, or how it could be used?

I think there should be food trucks so people can eat/drink in the plaza. I also think the area should be licensed for the food trucks. Markets would also be nice.

Q15.7. How do you see yourself, your family and friends using a new public plaza in Jonas Street in the future?

For food trucks! We live within 150 metres of this plaza so if we had a reason to go there and it would be a great local outdoor space for us.

Q11. **4b. If other, please describe :**

I used to drive through it daily to access Victoria Street or alternatively I walk through it if I have caught the train to work.

Q12. **5. Currently, does the area have a special feature, aspect or character that is important to you?**

Although I appreciate the sentiment of "urban space". I feel that the Jonas Street Plaza is just facilitating another place for junkies to "shoot up" and young teenagers to loiter and deal drugs. The plaza is not safe. It is not an inviting. A lot more needs to be done in the community to clean up North Richmond Station up and make change. Today I walked past whilst a man clearly high on drugs. He was laying across one of the create chairs. He was slurring as people walked past. I felt intimidated. I would also like to highlight the traffic issues that local commuters are now facing. At 5pm daily, Jonas Street was a very busy side street with employees and patrons of 12 Shelley Street and surrounding businesses using this street for quick access to Victoria Street and Hoddle St. Now that Jonas Street is blocked, it is causing major issues with traffic on Shelley Street and Elizabeth St. It now takes me up to 20 minutes to exit Shelley Street onto Victoria. A very unpleasant commute home.

Q13.6. What would you like to see in a public open space in this area?

Clean up the junkies, the garden beds around the station and keep Jonas Street as a through-way for cars.

Q14.8. Do you have any ideas for how the plaza should look, or how it could be used?

It should be used for traffic. Richmond has enough traffic issues already.

Q15.7. How do you see yourself, your family and friends using a new public plaza in Jonas Street in the future?

Never. The area is rough and unsafe. I would never invite my family or friends to spend time in that plaza now matter how good it looks.

Shopping

Q12. **5. Currently, does the area have a special feature, aspect or character that is important to you?**

Certain older style shops

Q13. **6. What would you like to see in a public open space in this area?**

I prefer it as a road and easy access to the train with some parking

Q14. **8. Do you have any ideas for how the plaza should look, or how it could be used?**

I don't think it should be a plaza. It is attracting undesirable types loitering about.

Q15.7. How do you see yourself, your family and friends using a new public plaza in Jonas Street in the future?

I would not use it, already with the types of people that seem to hang around, loitering and sleeping on the benches, some appear to be intoxicated on drink or drugs. I do not feel safe in this "Plaza" or trying to pass through it, I am now avoiding this area and am too scared to go to the train station. I think this "Plaza" should be removed and put back as a road.

Q13. **6. What would you like to see in a public open space in this area?**

Anything that attracts more people. Seating, gardens/greenery, block out through motor-vehicle traffic (so much rat-running in the area)

Q14. **8. Do you have any ideas for how the plaza should look, or how it could be used?**

I think Victoria St can do with a lot more 'social safety' - more locals out and about, for longer hours, mitigating anti-social behaviour, such as the successes that transformed the CBD.

Q15.7. How do you see yourself, your family and friends using a new public plaza in Jonas Street in the future?

With small children, it's handy to have a place to take a rest (for little legs), and somewhere they aren't going to be bored. Somewhere also for the adults to rest, and people watch!

Q11. **4b. If other, please describe :**

Q12. **5. Currently, does the area have a special feature, aspect or character that is important to you?**

I noticed this space because it is very car dominated, yet it is at a train station. The space is ugly, dirty, under utilised. Not a pleasant space to be around. Cars are king and pedestrians hurry through on their way to somewhere else.

Q13. **6. What would you like to see in a public open space in this area?**

It should be a place for people, connecting the train station to the community and the other forms of transport.

Q14.8. Do you have any ideas for how the plaza should look, or how it could be used?

It should reflect the distinct culture of the area - the design and function should be lead by the local residents. Not in a culturally stereotyped 'giant wok and coolie hat' way, but in a more meaningful, functional, celebratory way. Don't ask an architect to design a 'Vietnamese market space', work with the community to create an environment that supports and enables individuals to occupy the space.

Q15.7. How do you see yourself, your family and friends using a new public plaza in Jonas Street in the future?

Perhaps to eat street food or listen to a busker. To visit a space that reflects the cultural values of of its community.

Q3. **Postcode:**

Q4. **Email address:**

Q5. **1. What is your main connection to the Victoria Street/north Richmond area? (Select all that apply)** I visit the area to shop and/or go to restaurants

Q6. **2a. In Richmond, where do you, your family and friends currently go to access public open space?**

Along the Yarra. There's so little nice space in Richmond.

Q7. **2b. Why do you choose this location?**

Pleasant, relaxing, family friendly.

Q8. **2c. Are there any barriers to you accessing public open space?**

No

Q9. **3. How familiar are you with the Jonas Street/Victoria Street area? (Select the best option)** I visit quite often

Q10. **4a. How do you currently use the Hoddle Street end of Victoria Street? (Select all that apply)** Exercise (running, walking, cycling)
Access (getting from one place to another)
Go to the restaurants and other venues

Q11. **4b. If other, please describe :**

not answered

Q12. **5. Currently, does the area have a special feature, aspect or character that is important to you?**

Celebration of the Vietnamese community along Bictoria Street.

Q13. **6. What would you like to see in a public open space in this area?**

Places as a destination. Traffic calming. Increased permeability for people walking and people cycling. Increased safety with community spaces.

Q14.8. Do you have any ideas for how the plaza should look, or how it could be used?

Not specific. The pop-up demonstrates how nice a space can become with relatively low spend. I'd like the council to look at life cycle costs of what goes in so that maintenance, upkeep and rebewal costs are not a significant drain in the budget. Things don't need to be expensive to achieve the desired result.

Q15.7. How do you see yourself, your family and friends using a new public plaza in Jonas Street in the future?

Using it to meet up before tackling Victoria Street. Somewhere to rest on my journey on hot days.

Q16.9. What is your age group? 50 to 59

Q17.10a. What best describes your household? Family with children (primary school)
(Select the best option)

Q6. **2a. In Richmond, where do you, your family and friends currently go to access public open space?**

nowhere! The street which isn't much of a draw card.

Q7. **2b. Why do you choose this location?**

I like Richmond because of its Vietnamese influence. The food and shopping is great. I don't really hang out on the streets, I go and do things, like eat and shop.

Q8. **2c. Are there any barriers to you accessing public open space?**

The barriers to accessing public space in Richmond is the fear of criminal activity due to the high drug usage in the area. Also it feels very dirty, so the desire to sit on the street is close to 0.....

Q9. **3. How familiar are you with the Jonas Street/Victoria Street area? (Select the best option)** I know of it, but rarely visit

Q10. **4a. How do you currently use the Hoddle Street end of Victoria Street? (Select all that apply)** Access (getting from one place to another)

Q12. **5. Currently, does the area have a special feature, aspect or character that is important to you?**

The Vietnamese community, the vietnamese specialty food shopping and restaurants. The old shop fronts and houses (what ever is left of it.) The history!

Q13.6. What would you like to see in a public open space in this area?

lots and lots of greenery. spaces for public art, spaces for expression and entertainment. Spaces for locals to practice street art including Tai Chi or QiGong. Places of enchantment and interest, places to rest and places of community gathering. Maybe even a small monthly market.

Q14.8. Do you have any ideas for how the plaza should look, or how it could be used?

As above. Huge emphasis on greenery. Lots of trees! Flowering trees as well. Grow walls and hanging vines. Richmond is so urban, its like your choking!.....it desperately needs some greenery!!!! some tables chairs, No bright colours that look urban (as in the proposal.) Make it look natural, calm and inviting. Use rotating artists work to be featured on the surrounding brick wall to be a point of colour or interest.

Q15.7. How do you see yourself, your family and friends using a new public plaza in Jonas Street in the future?

If it was safe and clean, I could see myself waiting for friends as we plan to meet to go to a restaurant in the area. I could see myself resting for a while during shopping excursions. I could see myself eating my lunch while shopping.

Q16.9. What is your age group? 40 to 49

Q12. **5. Currently, does the area have a special feature, aspect or character that is important to you?**

No, but the Jonas street park is exactly what the suburb needs!!!!

Q13. **6. What would you like to see in a public open space in this area?**

Exactly what was designed for the pop up park!! it looked great and really inviting.

Q14.8. Do you have any ideas for how the plaza should look, or how it could be used?

I think it needs to go further down the street. The train station does not require that amount of parking! Afterall there is minimal train parking allocated at west Richmond station.

Q15.7. How do you see yourself, your family and friends using a new public plaza in Jonas Street in the future?

I often use it to have a coffe and just enjoy the space.
