Dear Parents and Carers

## Updated: Term 4 Primary After School Care Attendance (Kindergarten to Year 6) and Co-curricular Clubs Program (Years 1 to 6)

Earlier today you would have received a letter relating to Term 4 Primary After School Care Attendance and the Co-curricular Clubs Program. Unfortunately, the dates in this letter were incorrect. These have now been amended below. We apologise for any confusion.

### After School Care

NSW Health continues to advise parents to keep their children at home. The delivery of the Off-Campus Learning Program for all primary years will continue for the first two weeks of Term 4. If you require your child to attend school in the first two weeks of term then you will also have access to After School Care.

In line with the Return to School Roadmap, from 18 October Kindergarten and Year 1 return to school, and After School Care will be available to all of these students. It will also be available to children in Years 2 to 6 who need to be onsite.

From 25 October, Year 2 and Year 6 return to school and After School Care will be available to all of these students as well as Kindergarten and Year 1. After School Care will also be available to children in Years 3, 4 and 5 who need to be onsite.

From 1 November, Years 3, 4 and 5 return to school and After School Care will be operating for all students in Kindergarten to Year 6. The last day of After School Care for the year is Friday 3 December 2021.

Cost per session is \$33 for the duration of the term. A Google Form will be provided in the Spotlight newsletter each Friday for you to indicate your child's attendance for the following week.

Please complete this [form](#) if you require care for your child in After School Care from Wednesday 6 October to Friday 8 October.

If there are consistent days each week that you will require care for your child from Week 1, please complete this [form](#). If choosing this option, you will not need to complete the weekly form sent via Spotlight.

**Bookings are essential and must be made prior to the week commencing to ensure adequate staffing can be arranged.**
