- EV charging provisions
- All-electric Smeg appliances
- Recycled vitrified stone bench tops
- 3-Phase power and heat pump hot water system

Images in this brochure are for illustrative purposes only and may not represent the final product as shown. Into Place reserves to substitute the make, model or type of any products should the product become unavailable or due to a change of supplier. All furniture, screens, landscaping and decorative finishes are not offered by Into Place. Additional cost floor plan options, fixtures and fittings may also be shown. Into Place is not the owner of the land. The land featured in this package is advertised by agreement between Into Place and the land developer and/or vendor. The land is not purchased from Into Place but from the land developer/landowner or an authorised agent. Into Place is not a reseller of land but a new home builder. The land price component does not include transfer duty, settlement costs and any other fees or disbursements associated with the settlement of the land. Land and building will form separate contracts. Price includes a provisional sum for siteworks which is indicative of the suburb in which the home is being proposed. This will only be fixed after receiving proper contour surveys and engineering details. Where a set price has been determined for Bushfire Attack Level (BAL), coastal requirements, noise attenuation requirements and / or covenants and guidelines, this will be included in the total price. DESIGN LEAD, ALWAYS

We design distinctive, architecturally designed residences that incorporate the latest trends and materials.

MASTERFULLY CRAFTED

Each residence we deliver includes considered inclusions and is built with the highest construction standards.

CLIENTS AT THE CORE

Our smaller volume of quality residences means a personalised experience and our clients never become just a job number.

SUSTAINABILITY MATTERS

Every residence we handover contributes to the restoration Conservation Sanctuaries across Australia.
