Place
.**

Perth's design-focused,
townhouse specialists.

Live on the doorstep of nature.

Located just 16km from the CBD, Bushmead is an environmentally conscious neighbourhood and one of Perth's most naturally beautiful estates.

Offering residents an exclusive lifestyle shaped by nature, Bushmead is growing community surrounded by the peace and tranquillity of the Australian bush.

We're proudly partnering with Cedar Woods, one of Australia's leading property companies, to bring two exclusive townhouses to the estate's heart, on Broadmeadows Drive.

Together, we're committed to delivering uncompromising quality, exceptional service and real value.

KEY FEATURES

This design has been crafted to maximise space and its natural surroundings.

The hub of the home on ground floor is complete with dining, free flowing kitchen and large island bench for friends and family to gather.

A clever desk is tucked to the side for a study nook or work from home space.

The spacious living area leads out to the large courtyard ideal for alfresco dining or entertaining.

Upstairs, at the rear of the home are two well sized bedrooms with built in storage and access the the family bathroom.

Positioned at the front of the home is the master suite, complete with substantial walk in robe and luxe ensuite. Adding to the resort feel is the private balcony to take in the trees and wildlife that pass by.

Into Place is not the owner of the land. The land featured in this package is advertised by agreement between Into Place and the land developer and/or vendor. The land is not purchased from Into Place but from the land developer/landowner or an authorised agent. Into Place is not a reseller of land but a new home builder. The land price component does not include transfer duty, settlement costs and any other fees or disbursements associated with the settlement of the land. Land and building will form separate contracts. Price includes a provisional sum for siteworks which is indicative of the suburb in which the home is being proposed. This will only be fixed after receiving proper contour surveys and engineering details. Where a set price has been determined for Bushfire Attack Level (BAL), coastal requirements, noise attenuation requirements and / or covenants and guidelines, this will be included in the total price.
