Springs Road and Marshs Road intersection upgrade

What	Construction of a new roundabout , including cycleways and upgraded road layout
Where	Intersection of Springs Road and Marshs Road
When	01 March 2021 to 31 August 2021
Contact	Isaac Construction – Project Communications: Jessica Swift – e: jswift@isaac.co.nz p: 027 207 4631

We are writing to let you know that the Council will begin work on 01 March 2021 on upgrading the Springs Road and Marshs Road intersection. This will involve the **enabling works** (tree removal and fence construction) followed by the construction works involving the installation a new roundabout to help manage safety and traffic flows in the area.

During the enabling works, Springs Road and Marshs Road will remain open in both directions, but with shoulder closures and temporary speed limits in place. A map of the road work area is included on the back of this letter.

Prior to the main construction works taking place, another work notice will be issued outlining the temporary traffic management plan and impacts for residents and stakeholders. The contractor for this work is Isaacs and you can also find online project updates at:
<https://isaac.co.nz/projects/ongoing>.

If you have any questions or concerns, or think there is something we should know please contact Jessica Swift at Isaacs on jswift@isaac.co.nz or 027 207 4631.

Thank you for your patience whilst we carry out this work.

Isaac Construction
