#### Details:

#### Please see diagram of the worksite below.

- This work will take place at night, between 6pm and 6am, Sunday to Wednesday.
- This work will not restrict the flow of traffic; however, some temporary traffic management will be in place. Please follow all signage and instructions from staff.
- Some footpaths may be impacted while work takes place. When this happens there will be pedestrian detours put in place.
- There may be some noise during the works, but this will be kept to a minimum.
- Work will have no impact on any services such as electricity, water, telecommunication, and gas.
- A 30kph speed limit will be in place near the work area to help keep our workers and everyone safe.
- We know this work can be disruptive, so we appreciate your patience and understanding. Thanks for your cooperation.

Thank you for your patience as we carry out this work.
