Work Advisory

Lincoln Road resurfacing

We're getting ready to pour the concrete base of the new road across the intersection of Domain Terrace and Lincoln Road.

What	Resurfacing works along the south side of Lincoln Road which require a temporary road closure of Domain Terrace at Lincoln Road.
Why	Concrete is the base layer of the new road. It will increase the strength and durability of the road.
Where	Lincoln Road, across the Domain Terrace intersection, and Domain Terrace between Lincoln Road and 118 Domain Terrace.
When	Monday 2 November – Friday 27 November. Weather/site condition dependent. **Some early morning or weekend works may be required.**
Contact	Contact Jamie on 027 314 5534 or email communications@isaac.co.nz, Monday to Friday, 8am to 5pm.

What to expect
A temporary road closure will be in place at the intersection of Domain Terrace and Lincoln Road while we install the new road surface.

Works will include:

- Pouring the new concrete road base and laying asphalt along Lincoln Road, including across the Domain Terrace intersection.
- Resurfacing Domain Terrace with new asphalt between Lincoln Road and 118 Domain Terrace.

How the work will be staged
To help reduce disruption, we'll complete the work in two stages:

- Stage 1: Domain Terrace between Lincoln Road and the Village Health Medical Centre driveway.
- Stage 2: Domain Terrace between the Village Health Medical Centre driveway and Pony Lane.

Stage 1 will begin on Monday 2 November. We'll provide further notification before Stage 2 begins.

Traffic impacts
Please refer to the detour map for details.

- Vehicles travelling along Domain Terrace towards Lincoln Road will be detoured via Edinburgh Street and Lyttelton Street.
- Vehicles travelling from Lincoln Road and intending to turn onto Domain Terrace will be detoured via Lyttelton Street.
- Access to properties within the work area may be temporarily affected. Further information about access arrangements will be provided ahead of the works.

General

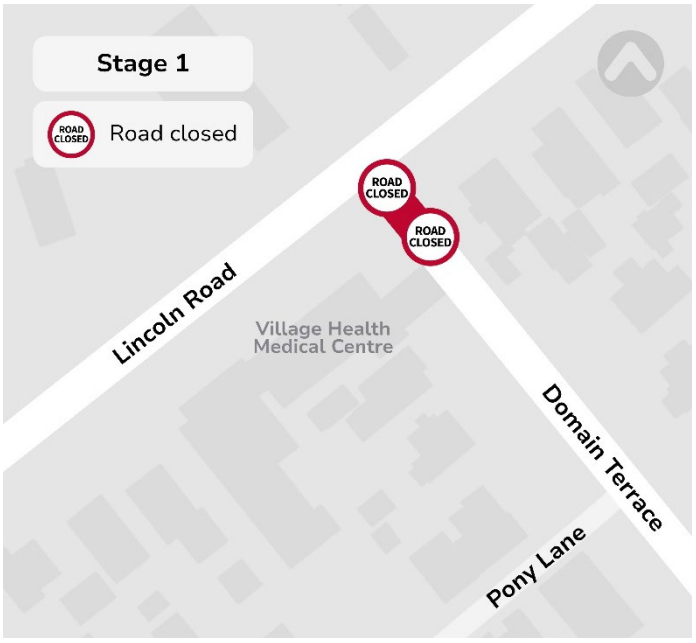

- Traffic delays and on-street parking restrictions may occur.
- Pedestrian access will be maintained. Please follow site signage and instructions.
- The speed limit through the site will be reduced to 30km/h.
- Increased noise, dust and vibrations may occur during the works.

This work will wrap up most of our major works across the Domain Terrace intersection. **We'll return in mid-2027, once work on the north side of the road is complete, to apply the final layer of asphalt.**
