

Meet the contractor

Lincoln Road water and roading upgrades

We're getting ready to start work on Lincoln Road between Wrights Road and Curletts Road.

We want to talk to the residents in the area about what we're planning and how it will impact you.

Join Isaac Construction and Christchurch City Council at **St MJ's Anglican Church (50 Lincoln Road) at 7.00pm on Tuesday 2 June** to learn more.

The team will be available after the presentation for any questions about the works.

Please use your phone camera to scan the QR code and register your interest for this event.
