

We're working in your area

What	Speed hump installation.
Why	To improve road safety on Aorangi Road.
Where	Aorangi Road north and south near the Wairakei Road intersection.
When	Tuesday 17 February and Wednesday 18 February 2026. 7am to 6pm. (weather/site condition dependent).
Contact	The contractor working on behalf of Christchurch City Council is Isaac Construction Limited. Contact Hayley Ching on 027 323 0056 or email mcrnorwestarc@isaac.co.nz , Monday to Friday, 7am to 6pm.

Details:

Please see overleaf a diagram of the worksite.

We'll be returning to the area to complete the installation of speed humps on Aorangi Road north and Aorangi Road south near the Wairakei intersection. This work is part of the Nor'West Arc project.

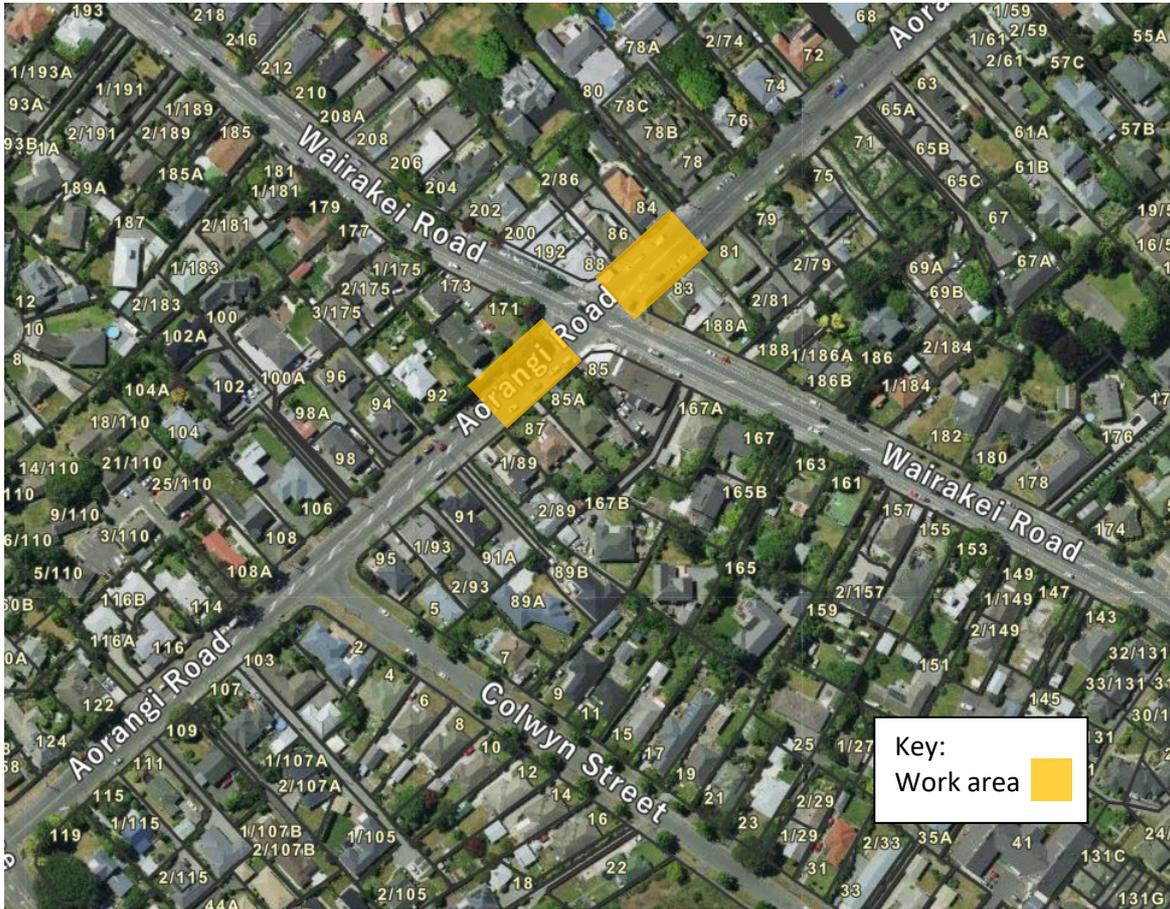

We appreciate residents' patience as we carry out these essential improvements. Work will be carefully managed to provide safe access, and we aim to complete the project efficiently within provided timeframe.

Traffic impacts:

- Temporary road closures on Aorangi Roads north and south near the Wairakei intersection while speed humps are installed.
- We will not work on Aorangi Road north and Aorangi Road south at the same time. We expect each closure to be in place for half a day and will ensure the first closure is removed before the second closure goes in place.
- Residents may need to follow temporary detours or allow extra travel time during working hours.

Please expect some disruption to access in the working area. If you have any specific property access requirements (e.g., medical visits, home help, large vehicle access, deliveries, planned works), please let us know.

Noise	There may be increased noise, dust, and vibrations during work, but it shouldn't impact on your electricity, water, gas, or phone services.
Safety	Safety is our biggest priority, so, please keep children and pets away from worksites.
Bins	Please put your bins out as usual before 6am on your collection day. Our crew will move and return them if needed

We know this work is disruptive, so we appreciate your patience and understanding. Thanks for your cooperation.
